To whom it may concern

This letter is to confirm that Menzies International provides cleaning and waste management services.

As a supplier of cleaning and waste management services, the work of Menzies and its staff is defined as essential during the current COVID-19 pandemic and is still current under the latest restrictions.

Menzies is conducting COVID-19 cleans at schools and other client's premises, as well as preventative and deep cleans. The client sites spread across Melbourne in particular as well as Regional Victoria.

The nature of our work means it must be done on-site at our client's locations nationally – it cannot be performed remotely – and is vital to maintaining community health and reducing the transfer of potential infections during the COVID-19 pandemic.

Please reach out to us to discuss if you have any questions or concern.

Ph: 03 8374 8100 / option 3

Regards,
Greg Springall
Chief Executive Officer
Menzies International (Aust.) Pty Ltd
